Wiggly Missionary kid

We knew support-raising would have its challenges, but we had no idea how many stories we would come away with – particularly about our children. A few weeks ago, we had been asked to share about our ministry in a church in New Jersey. Our presentation went well, and things seemed to be working out fine having both of our small children in the service with us. That is, until the sermon started and Jeremiah took off up the center aisle while Gabriella was crying at her highest volume. It wasn't until Jeremiah was at the pulpit, face to face with the preacher, that we were able to scoop up our wiggly toddler and bring him all the way back to the last pew!

15 donors at \$75

Unfortunately, Jeremiah isn't the only wiggly missionary. As we get closer and closer to reaching our goal, and know that we only need 15 more people and/or churches to give \$75/month for us to meet our monthly needs, Alicia and I find ourselves wiggling too.

6,000+ miles

This past month we traveled over 6,000 miles, from east coast to west, from the south to the north, and we were blessed to have four churches join our ministry efforts and many families and individuals. We are so thankful and praise God that Christ Church (TX), Ramona Valley (CA), Evangelical Presbyterian (NJ), and Evangelical Presbyterian (DE) have joined our efforts in Peru! This past week we were also delighted to be "sent off" by 1st Presbyterian Chattanooga and we really enjoyed sharing our vision at the

60th Annual Missions Conference, where we felt our passion for missions stirring up stronger and stronger.

Final stretch

We are now in the final stretch! We ask that you would be in prayer for other churches and individuals we have contacted in WA, CA, TN, AL, NJ, MD, DE, IN and GA. Please also pray that our one time needs would be met as year-end giving approaches. In addition to our monthly needs we have a limited amount of one-time expenses (relocating to Peru and language training...) that we must meet before we depart!

Your prayers on our behalf keep us strong in the Lord. Thank you for keeping us before our Lord!

With grateful hearts,

Nathaniel, Alicia, Jeremiah and Gabriella
